MISSION STATEMENT

The mission of the Jerry M. Greene Memorial Scholarship Fund (JMG Scholarship) is to both celebrate and support a commitment to education. The late Jerry M. Greene's steadfast commitment to education (particularly special education), charity and community have led his family to honor his legacy through these scholarship awards. The JMG Scholarship has been established to help qualified students offset the costs of their education and to enhance their educational opportunities. Candidates will be considered on the basis of merit and need.

BACKGROUND INFORMATION

Jerry Greene was a special education teacher and administrator at Springfield North High School for over 20 years. Because of Mr. Greene's passion for equality in education, the scholarship is focused on providing funds to students with special needs who aspire to continue their education in some fashion. In the absence of such a student, the scholarship will be provided to other students on a merit and needs basis. All students with post-high school education aspirations (college, junior college, trade school, art school, etc.) are encouraged to apply.
